Description:

Review Praise for DIVERGENT: "The next big thing." (Rolling Stone) "If you like Hunger Games & Twilight, then get stoked for DIVERGENT! Trust us on this-this baby is going to blow up BIG! And if you chose to remain factionless, then you're gonna be one lonely soul." (PerezHilton.com) "A taut and shiveringly exciting read! Tris is exactly the sort of unflinching and fierce heroine I love. I couldn't turn the pages fast enough." Melissa Marr, bestselling author of Wicked Lovely "DIVERGENT is a captivating, fascinating book that kept me in constant suspense and was never short on surprises. It will be a long time before I quit thinking about this haunting vision of the future." James Dashner, author of 'The Maze Runner' "Well-written and brilliantly executed, DIVERGENT is a heart-pounding debut that cannot be missed. Tris stands out in her action-packed, thrilling, and emotionally honest journey to determine who she wants to be in a society that demands she conform. It's dystopian fiction at its best!" Kiersten White, New York Times bestselling author of PARANORMALCY "A memorable, unpredictable journey from which it is nearly impossible to turn

away" - Publishers Weekly "Divergent holds its own in the [dystopian] genre, with brisk pacing, lavish flights of imagination and writing that occasionally startles with fine detail." - New York Times
" A masterpiece of epic proportions and an outstanding debut novel." - Narratively Speaking Blog
"Be prepared to sit on the edge of your seats as this heart-pounding thriller hypnotises you until the very last page." - Fantasticbookreviews.com

Review "Promising author Roth tells the riveting and complex story of a teenage girl forced to choose, at age 16, between her routinized, selfless family and the adventurous, unrestrained future she longs for. A memorable, unpredictable journey from which it is nearly impossible to turn away." (Publishers Weekly (starred review))

"This is one fast-paced read that sticks in your head for days after you put it down, both because of its video-game-like scenes and its thought-provoking premise." —Hollywood Crush, MTV.com (MTV)

PRAISE FOR DIVERGENT: "You'll be up all night with Divergent, a brainy thrill-ride of a novel." (BookPage)

"With brisk pacing and lavish flights of imagination . . . Divergent clearly has thrills, but it also movingly explores a more common adolescent anxiety—the painful realization that coming into one's own sometimes means leaving family behind, both ideologically and physically." (New York Times Book Review)

"The depth and richness of Beatrice herself make this an accessible option for both sci-fi buffs and realistic fiction fans." (Bulletin of the Center for Children's Books)

"This gritty, paranoid world is built with careful details and intriguing scope. Fans snared by the ratcheting suspense will be unable to resist speculating on their own factional allegiance. Guaranteed to fly off the shelves." (Kirkus Reviews)
