Description:

Encourage first-grade students to build their reading comprehension and word study skills using daily practice activities. Great for after school, intervention, or homework, teachers and parents can help students gain regular practice through these quick, diagnostic-based activities that are correlated to College and Career Readiness and other state standards. Both fiction and nonfiction reading passages are provided as well as data-driven assessment tips and digital versions of the

assessment analysis tools and activities. With these easy-to-use activities, first graders will boost their reading skills in a hurry!

About Shell Education

Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
