Description:

Review *For beginners this is a perfect start into a successful career as self-published Kindle author. For experienced authors this book gives you the chance to gain an edge on the competition and to position your book strong.* - **Thomas Oberbichler**

The book is brief and to the point. What I found to be PURE GOLD is the section about inserting analytics to your Amazon page. - **Mario Miranda**

About the Author Author Michael Thomas has 7 self-published titles on Amazon's Kindle, and has been featured on Amazon's homepage as a Best Selling Author. *Amazon Secrets Exposed* is his latest release that outlines the recipe for his success, and shows in a step by step format how you can also achieve success publishing on the Kindle.
