**Description:**

**Review** "The second installment of Eden's action-packed, dark paranormal series the Fallen centers on a deposed angel of death and his half-breed succubus flame...Eden offers compelling characters, sizzling sex, and breakneck action in this solid effort that sets the stage for the third book, due November 2012. (July)" --Publishers Weekly

**From the Back Cover** Sammael--call him Sam--was an angel once. An angel of death. But the dispassionate, watch-from-above thing just wasn't working for him when it meant watching evil torture innocent souls day in and day out. It might have cost him his wings, but these days he gets to apply the direct method on the bad guys. Problem is, what's making his life difficult is a bad girl...

Seline O'Shaw needs protection, and with the hounds of hell on her tail, she's not going to quibble too hard about where she gets it. Sam's virtue is questionable, but he's smoking hot, massively powerful, and owes her a favor. So what if she's getting a little case of angel lust? There are some damn deadly sins after her hide...
