Description:

Instant *New York Times* Bestseller

Charlamagne Tha God—the self-proclaimed “Prince of Pissing People Off,” co-host of Power 105.1’s *The Breakfast Club*, and “hip-hop’s Howard Stern”—shares his unlikely success story as well as how embracing one’s truths is a fundamental key to success and happiness.

In his new book, Charlamagne Tha God presents his comic, often controversial, and always brutally

honest insights on how living an authentic life is the quickest path to success. Beginning with his journey from the small town of Moncks Corner, South Carolina to his headline grabbing interviews with celebrities like Justin Bieber, Jay-Z, Nicki Minaj, Kanye West, and Hillary Clinton, he shares how he turned his troubled early life around by owning his (many) mistakes and refusing to give up on his dreams, even after his controversial opinions got him fired from several on-air jobs. Combining his own story with bold advice and his signature commitment to honesty at all costs, Charlamagne hopes this book will give others the confidence to live their own truths.
