Description:

About the Author Sheryl Berk has been a contributing writer to *Martha Stewart Weddings*, *InStyle*, and *New York Daily News*. Books she has collaborated on include Britney Spears' *Heart to Heart* and Colin Cowie's *Legendary Weddings*.

Inspired by a friend's tale of a little nephew's tearful visit to a grown-up hair salon, Cozy Friedman had the idea of creating a salon where kids are the priority, not a nuisance. After earning her barber's license, she opened the doors to her first salon on Madison Avenue in New York City, Cozy's

Cuts for Kids. Fifteen years later, Cozy--now a mother of two--provides stress-free cuts and styles for New York kids, including the children of many celebrities, in her three salons. Her hair product line, So Cozy Hair Care for Children, is distributed nationwide.
