Description:

About the Author

This is the first book from **Tris Hussey**, a long-time technologist, blogger, and writer, who started off as an academic and found tech support much more to his liking. After picking up blogging on a whim in 2004, he quickly became both a professional blogger and a leading expert in business

blogging. He has been a part of several Web 2.0 startups from blogging software to blogging agencies and continues to write, blog, teach, and consult. In addition to providing workshops and speaking at conferences, Tris also teaches social media, blogging, podcasting, and WordPress at the University of British Columbia, British Columbia Institute of Technology, and Capilano University. Tris lives and works in beautiful Vancouver, British Columbia.
