Description:

: To anyone for whom Leo Tolstoy's masterpieces *War and Peace* and *Anna Karenina* have stood as giants too daunting to scale, and equally to the many readers who have devoured those novels and are hungry for more, we offer *The Death of Ivan Ilyich and Other Stories*. Newly translated by the team of Richard Pevear and Larissa Volokhonsky, who have enlivened the Russian classics for a new generation, this selection of 11 of his finest stories reveals a Tolstoy of many sides and unsurpassed storytelling talents. Along with smaller gems like "Alyosha the Pot," the collection features a handful of thrilling longer tales that each carry the power of a novel: the terrifying murderer's confession of "The Kreuzer Sonata," the breathlessly dramatic path of a single crime through dozens of lives in "The Forged Coupon," and the haunting account of the isolation of mortality in the legendary title

story. Most revelatory of all for a modern reader is the final novella, and Tolstoy's final work, "Hadji Murat," the disturbingly contemporary story of a fiercely honorable Chechen warrior caught between local rivalries and the ambivalent reach of a decadent empire. --*Tom Nissley* --This text refers to an out of print or unavailable edition of this title.

Review "Tolstoy's prose is majestic, his pace measured, his characters unflinchingly true to life, his message bleak" Guardian "The simplicity and power of this novella, the story of the terrible encroachment of death on a shallow man spiritually unprepared for it, has staggered millions" Sunday Telegraph "I don't read Russian, but I think Tolstoy's writing comes over whatever translation you read...he wrote the great, terrible story The Death of Ivan Illyich" -- Redmond O'Hanlon Independent "For me, the best insight into the process of dying comes from Leo Tolstoy in his short story, The Death of Ivan Ilych, which examines the life and death of the most ordinary man" -- Oliver James Mail on Sunday --This text refers to an out of print or unavailable edition of this title.
