#### Description:

**About the Author** In her search for love and acceptance, Janet Gillispie traveled a long, hard road through addiction, prostitution, homelessness, racial prejudice, violent rages, degrading activities, betrayal, and regret. Delivering a fourth child that she did not want, she had a radical encounter with God. In that instance, she was radically transformed and has never looked back. Quick to admit that she is still flawed, she and her daughter are examples of God's redeeming power, His ultimate

love, and His unexplainable peace. Her 30 years of deceit and guilt had her constantly moving from job to job; however, the new Janet was recently recognized by her employer as Outstanding Employee of the Year. Quick to admit she is not a saint, all who know her can see the remarkable difference in her life and the sense of joy and peace that she has.
