#### Description:

**About the Author** Trish was born and mostly raised in San Diego, California where she lives now with her family and pets. She's been writing short stories and poetry since high school after an obsession with Stephen King's 'The Stand'. After over fifteen years of crazy dreams and an overactive imagination, Trish began her first book in December of 2011. When Trish isn't writing, she's homeschooling her amazing daughter and mildly autistic son, reading whatever she can get her hands on, or enjoying the Southern California sun. As a strict Vegetarian, Trish holds a special place in her heart for animal rights and dashes into the backyard weekly to rescue lizards and mice from her mini-lab/cocker spaniel mixed dog, Zoey...who is always getting into some sort of trouble. Trish's first book, 'I Hope You Find Me' is currently out in print and eBook on Amazon.
