Description:

About the Author

Shéa MacLeod spent most of her life in Portland, Oregon, before moving to an Edwardian townhouse in London located just a stone's throw from a local cemetery. Such a unique locale probably explains a lot about her penchant for urban fantasy post-apocalyptic sci-fi paranormal romances, but at least

the neighbors are quiet. Alas, the dearth of good donuts in London drove back across the pond to the land of her birth. She is the author of the Sunwalker Saga and Dragon Wars series.
