Description:

From Publishers Weekly A seven-week PW bestseller in cloth, this revealing autobiography by Michael and Janet Jackson's less successful sister caused a commotion on the talk show/tabloid circuit. Photos.

Copyright 1992 Reed Business Information, Inc. --This text refers to an out of print or unavailable

edition of this title.

From School Library Journal YA-- Jackson makes some shocking allegations about her family. She goes into great detail about the physical and psychological abuse she and her eight siblings suffered at the hands of their parents, the bitter jealousies among family members, and the foiled attempts to kidnap her after she left home. She also writes about her in-name-only marriage to her manager, Jack Gordon, and the reasons she posed for a Playboy centerfold. The book is full of titillating bits of information meant to astound; it is comparable to an episode from television's ``A Current Affair'' in print. It will be popular with fans of the Jacksons.
