Description:

Master the technical, communication, and critical thinking skills you need to provide compassionate,

competent care in any health care setting with **Lippincott's Textbook for Nursing Assistants, 4e**. This comprehensive, student-friendly book is written in a conversational, easy-to read style, features a unique and fully integrated art program to help you understand key topics, and provides clear, concise coverage of nursing procedures that conform to the latest state-specific guidelines and 2012 NNAAP skill revisions.

- **Guidelines (“What You Do/Why You Do It”)** boxes provide the whys and the how-tos for carrying out key nursing assistant actions.
 - **Tell the Nurse! Notes** summarize observations that you need to report to the nurse.
 - **Stop and Think! Scenarios** encourage you to solve the types of complex, real world nursing situations you’ll encounter on the job.
 - **Helping Hands and a Caring Heart: Focus on Humanistic Health Care boxes** encourage you to empathize with those in your care and meet patients’ and residents’ emotional and spiritual needs, as well as their physical needs.
 - **Empowering online learning tools** that help you master key content, include *Watch and Learn/Listen and Learn Audio and Video Clips* and an *interactive audio glossary* that pronounces vocabulary words, defines them, and uses them in a sentence.
 - **Procedure boxes** that emphasize the concepts of privacy, safety, infection control, and comfort begin with a “Why You Do It” statement, followed by concise step-by-step instructions (including “Getting Ready” and “Finishing Up” steps) to prepare you for role as a nursing assistant.
 - **Chapter-ending summary sections** help you review the key concepts.
 - **What Did You Learn? multiple-choice and matching exercises** similar to the questions on state certification exams allow you to evaluate your understanding. Answers are provided at the end of the book.
 - **Nursing Assistants Make A Difference! sections** include first-person accounts from patients, residents, clients, or family members that focus on how a nursing assistant has had a positive impact on their lives or the lives of their loved ones, demonstrating how vital nursing assistants are to the health care team.
