Description:

As a new mother, writer Carolyn Coppola was fortunate enough to find an incredible group of women who forged a bond that most new mothers (or any women for that matter) would envy. "Minivans, Meltdowns & Merlot" is the story of their journey through motherhood and the supportive community they created along the way. "Minivans, Meltdowns & Merlot" is a realistic, hilarious and poignant look at motherhood that every mother will relate to. Reading the stories in "Minivans, Meltdowns & Merlot" is like having a great support group all mothers are looking for-or were lucky enough to find.
