Description:

From Publishers Weekly Fans of the intelligent WWII thrillers of Alan Furst and Philip Kerr should enjoy Downing's atmospheric and tension-filled third novel featuring Anglo-American journalist John Russell (after *Silesian Station*). By November 1941, Russell has decided that he and his German actress girlfriend, Effi Koenen, need to leave Berlin while they still can, but given Koenen's high public profile, he must find an illegal way to do so. His planning coincides with the escalation of tensions between the U.S. and Japan as well as growing evidence that the Nazis have begun carrying out the Final Solution with the forced transport of Berlin's Jewish community. Russell's complicated life, which includes serving as a courier for the Wehrmacht intelligence service, makes him an obvious candidate for extra scrutiny by the Gestapo, a further obstacle to escaping Germany. With

strong, vivid prose, the author maintains a high level of suspense throughout, and makes the reader care about his leads. (*May*)

Review Praise for David Downing's John Russell World War II Spy Thriller series

"Epic in scope, Mr. Downing's "Station" cycle creates a fictional universe rich with a historian's expertise but rendered with literary style and heart."

—*The Wall Street Journal*

"Fans of the intelligent WWII thrillers of Alan Furst and Philip Kerr should enjoy Downing's atmospheric and tension-filled third novel featuring Anglo-American journalist John Russell.... With strong vivid prose, the author maintains a high level of suspense throughout, and makes the reader care about his leads."

—*Publishers Weekly*

"Downing distinguishes himself by eschewing the easy ways out. He doesn't shy away from portraying the cold brutality of the Third Reich, and his characters are far from stereotypes—they're flawed, confused and real."

—NPR
