Description:

The Must-Have Book That Will Teach You How to Cook

Learning to cook has never been simpler—or more delicious—thanks to *The Haven's Kitchen*

Cooking School. Each of the book's nine chapters centers on a key lesson: in the eggs chapter, readers will learn about timing and temperature while poaching, frying, and scrambling; in the soups chapter, they will learn to layer flavors through recipes like Green Curry with Chicken. The rigorously tested recipes—including wholesome lunches, dinner-party showstoppers, and delectable desserts—will become part of readers' daily repertoires. Beautiful photographs show both the finished dishes and the how-to techniques, and helpful illustrations offer further guidance.
