Description:

Review "*The Rift Walker* is an exhilarating burst of adventure and romance that **will leave you smiling, laughing, breathless—and utterly swept away.** I love this book so much." --**Marjorie M. Liu**, *New York Times* bestselling author of the Hunter Kiss and Dirk & Steele series

"Top Pick! Vampire Empire is one of the best fantasy series I've read, set in a unique post-apocalyptic world. The landscapes, the peoples, and the incredible gizmos will attack your senses. Their unforgettable characters will stay with you as the tale unwinds." --*RT Book Reviews*, Four and half stars (RT's highest rating = Gold; Phenomenal; In a class by itself)

About the Author **Clay and Susan Griffith** are a married couple who have written and published together for more than a decade. Their credits not only include two novels for Bantam Doubleday Dell in the mid-90s and another novel for Pinnacle Entertainment Group in 2002, but numerous

short stories published in many anthologies, some featuring noted genre characters like Kolchak the Night Stalker and The Phantom. They've also written scripts for television and published graphic novels. The authors have attended many cons multiple times over the years, including World Fantasy, WorldCon Science Fiction, ComicCon (San Diego), DragonCon (Atlanta), HeroesCon (Charlotte), and other smaller conventions. These are two hard working authors, in every sense! Visit the authors' website at clayandsusangriffith.blogspot.com and facebook.com/#!/vampireempire.
