Description:

Review "The Unfinished Gift is one for the keeper shelf! Dan's book is a fabulous story of redemption and forgiveness. Couldn't put it down and it made me cry, which is hard to do."

-- Colleen Coble, Bestselling Author, The Lightkeeper's Daughter

From the Inside Flap "Everything else in the room had suddenly gone out of focus. There was only the wooden soldier." Set at Christmastime in 1943, The Unfinished Gift is the engaging story of a family in need of forgiveness. With simple grace, it reminds us of the small things that affect powerful change in our hearts--a young boy's prayers, a shoe box of love letters, and even a half-carved soldier, long forgotten. This nostalgic story of reconciliation will touch your heart.
