From the Back Cover

They laughed at Roberto Valdez and then ignored him. But when a dark-skinned man was holed up in a shack with a gun, they sent the part-time town constable to deal with the problem—and made sure he had no choice but to gun the fugitive down. Trouble was, Valdez killed an innocent man. And when he asked for justice—and some money for the dead man's woman—they beat Valdez and tied him to a cross. They were still laughing when Valdez came back. And then they began to die.
