Description:

One cold night, in a most unlikely corner of Chicago, Will Grayson crosses paths with . . . Will Grayson. Two teens with the same name, running in two very different circles, suddenly find their lives going in new and unexpected directions, and culminating in epic turns-of-heart and the most fabulous musical ever to grace the high school stage. Told in alternating voices from two YA superstars, this collaborative novel features a double helping of the heart and humor that have won them both legions of fans.
