**Description:**

**From the Back Cover** When a cowboy focused on revenge encounters a woman determined to distract him, there's going to be trouble in Texas!

Swept away when her wagon train attempts a difficult river crossing, Ruthy MacNeil isn't terribly upset at being separated from the family who raised her. All they've ever done is work her to the bone. Alive but disoriented, she's rescued by Luke Stone...so unfortunately, there are more chances to die in her immediate future.

Luke is on a mission to reclaim the ranch stolen from his family. But the men currently on the property won't let it go without a fight. Luke plans to meet up with friends who will help him take back the land, and since he can't just leave Ruthy in the middle of nowhere, she's going to have to go with him.

But the more time Luke spends around the hardworking young woman, the more he finds himself thinking of things besides revenge. Will Ruthy convince him to give up his destructive path and be swept away by love?

"This new series, TROUBLE IN TEXAS, will add to her list of successes if the first installment is any indication... Connealy's style is fast-paced and spritely and sure to keep drawing fans." --Publishers Weekly

"Carol Award-winner Connealy ("THE KINCAID BRIDES" series) has created a strong, independent heroine who meets her match in Luke, the strong, silent type. They clash at first before finding solace in each other, which makes for humorous moments that will please readers who enjoy romantic comedies with a Western flavor." --*Library Journal*
