About the Author

When librarians finally granted Kelley Armstrong an adult card, she made straight for the epic fantasy and horror shelves. She spent the rest of her childhood and teen years happily roaming fantastical and terrible worlds, and vowed that someday she'd write a story combining swords, sorcery, and the ravenous undead. That story begins with Sea of Shadows.

Armstrong's first works for teens were the New York Times bestselling Darkest Powers and Darkness Rising trilogies. All of her novels for teens have been New York Times bestsellers. She lives in rural Ontario with her husband, three children, and far too many pets.
