#### Description:

**From the Back Cover** The market leader in argumentative rhetorics, Writing Arguments has proven highly successful in teaching individuals to read arguments critically and to produce effective arguments of their own. In its reader-friendly tone, clear explanations, high-interest readings and examples, and well-sequenced critical thinking and writing assignments, this concise text offers a time-tested approach to argument that is interesting and accessible. Throughout the book, the authors approach argument rhetorically by emphasizing audience and context at every stage of the construction of an argument. Writing Arguments moves readers beyond a simplistic debate model of argument to a view of argument as inquiry and consensus-building as well as persuasion, in which

the arguer negotiates with others in search of the best solutions to problems. Individuals interested in developing their argumentative writing skills. --This text refers to an out of print or unavailable edition of this title.
