

Open Tenure Track Positions in Pure Mathematics at the Federal University of Amazonas in Manaus (UFAM)

A public call for filling 3 positions in Analysis and 1 position in Algebra/Logic has opened; candidates from all areas of Pure Mathematics are welcome to apply.

Description of the Positions

- The positions are for “Professor Efetivo” (similar to tenure track positions on assistant professor level in North-America)
- Teaching duty is around 8-10 hours per week
- A sabbatical leave for 12 months is possible after one year

Why UFAM?

- Growing university and growing mathematics department, with currently 35 full-time professors, regular scientific activities and summer schools
- University campus located in a primary forest reserve of 650 hectares
- Good conditions for financing travels to conferences in Brazil
- Good conditions for financing the stay of visiting researchers from Brazil or from abroad

Why Manaus?

- City of around 2 million people in the middle of the largest rainforest in the world
- City with the third-highest industrial output in Brazil after São Paulo and Rio de Janeiro
- The State of Amazonas has 98% of its area (1.5 million km²) covered by primary forest
- The surroundings of Manaus have very good conditions for outdoor activities, such as fishing, camping, excursions to waterfalls and river beaches
- Geographical location: flight time to Rio de Janeiro is 4 hours and to Miami 5 hours

Salary and Salary Progression

- Entry salary: 3000 EUR per month gross (2500 EUR net), with 13.5 salaries per year
- Gradually increasing throughout the career: to around 3400 EUR gross per month after 4 years and to a maximum of 5800 EUR gross per month after 20 years of career
- Possibilities to increment salary by 500 EUR to 1000 EUR per month by research excellence grants, the teaching of a number of mini-courses, the tutoring of “scientific initiation” projects for undergraduate students or by participating in private-public partnerships
- Financial rewards for publishing papers

Cost of Living in Manaus

- Expect around 600 EUR for a two-bedroom apartment of around 50m² and 800 EUR for a three-bedroom apartment of around 70m² in a good area of the city in a block of buildings with a concierge service and amenities such as a swimming pool, a playground, a basketball court and a common event area

How to apply

Please note that all the relevant information and details of the public call (*concurso público*), Edital N^o. 66, can be found on the following webpage (in Portuguese):

<http://www.procomun.ufam.edu.br/component/content/article/307>
