PROMYS Europe
A partnership of PROMYS (Boston), Wadham College and the Mathematical Institute at the University of Oxford, and the Clay Mathematics Institute

12 July – 22 August 2020 at Wadham College, Oxford
www.promys-europe.org

Six weeks of challenging and stimulating mathematical exploration, for mathematically ambitious school students aged 16+ from across Europe

“The whole experience is really empowering - it really boosts and gives you trust in your mathematical activities”… “I think the programme really tries to put you into the spirit of a mathematical explorer”… “Getting to know amazingly talented young people! Always being surrounded by discussions about really interesting problems, and being allowed to think about mathematics for such a long uninterrupted time” – Students, PROMYS Europe 2019

“The programme offers pre-university students from across Europe an extraordinary opportunity to engage with deep mathematical ideas” – CMI

Selection is needs-blind and based on merit alone. Partial or full financial aid is available for those who need it. The programme is dedicated to the principle that no one should be unable to attend for financial reasons.
