

European Mathematical Society

25th ANNIVERSARY

“Challenges for the next 25 years”

Institut Henri Poincaré
Paris, France
22 October 2015

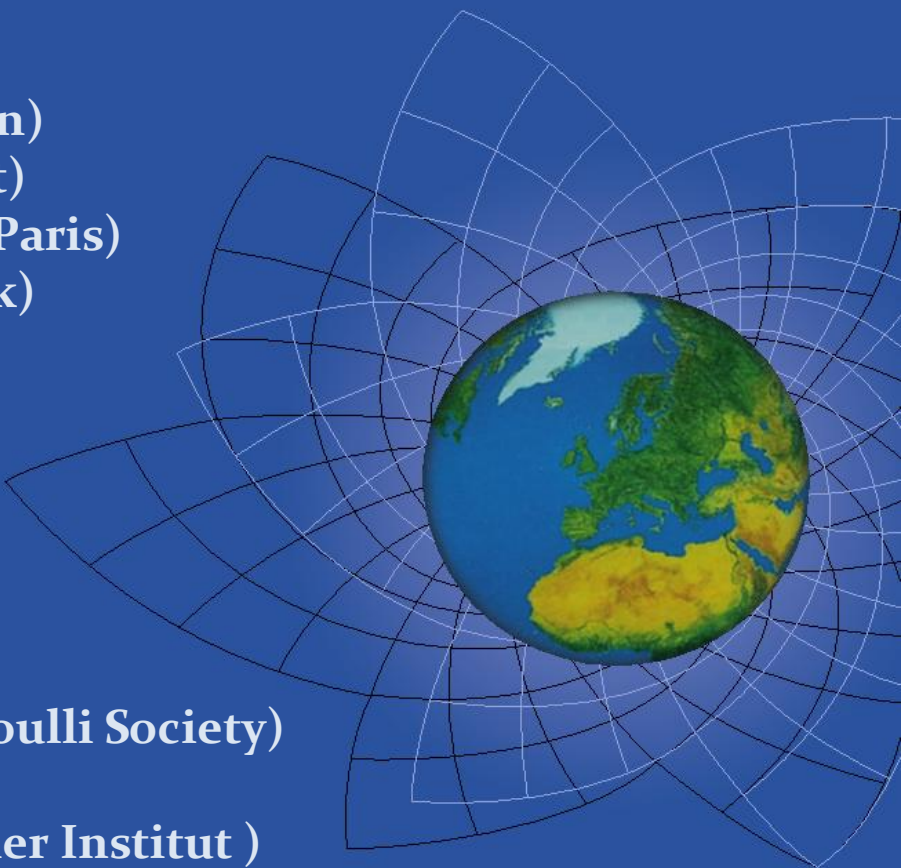

Speakers

Hendrik Lenstra (Leiden)
László Lovász (Budapest)
Laure Saint-Raymond (Paris)
Andrew Stuart (Warwick)

Panel

J.P. Bourguignon (ERC)
Peter Bühlmann (Bernoulli Society)
Maria Esteban (ICIAM)
Ari Laptev (Mittag-Leffler Institut)
Roberto Natalini (Istituto per le Applicazioni del Calcolo)

European Mathematical Society 25th ANNIVERSARY

“Challenges for the next 25 years”

Institut Henri Poincaré
Paris, France
22 October 2015

Programme

- 9.00** Opening address
- 9.30** Hendrik Lenstra (Leiden University, Netherlands)
“Profinite number theory”
- 10.30** Coffee
- 11.00** Laure Saint-Raymond (E.N.S. Paris, France)
“Exchangeability, chaos and dissipation in large system of particles”
- 12.00** Buffet lunch
- 13.30** László Lovász (Budapest University, Hungary)
“Geometric representations of graphs”
- 14.30** Andrew Stuart (University of Warwick, U.K.)
“Blending Mathematical Models and Data: Algorithms, Analysis and Applications”
- 15.30** Coffee
- 16.00–18.00** Panel moderated by J.P. Bourguignon, with Peter Bühlmann, Maria Esteban, Ari Laptev, Roberto Natalini
- 19.00** Cocktails at *Mairie de Paris*, Place du Panthéon
